

SIZWE UMMAH NATION

Leaders You Can Trust To Be Honest & Just

25 November 2023

MANIFESTO OF THE SIZWE UMMAH NATION (SUN) PARTY

1. Promotion of God Consciousness, Ethical Leadership, Anti-Corruption, and Moral Regeneration:

We pledge to instil ethical leadership grounded in God consciousness. Our commitment is to uphold integrity, transparency, and accountability in governance, fighting against corruption in all spheres of society. We aim for a moral renaissance that strengthens the ethical fabric of our nation.

2. Poverty Alleviation and Humanitarian Programs:

Through comprehensive welfare systems, job creation initiatives, and skills development programs, we aim to uplift communities, ensuring food security and offering humanitarian aid to those in need.

3. Non-Racialism, Eradication of Discrimination, and Empowerment of Marginalised Communities:

We staunchly advocate for non-racialism, rejecting all forms of discrimination. Our commitment extends to actively empowering and uplifting marginalised communities, ensuring their full inclusion and participation in all aspects of society. Through targeted policies and initiatives, we aim to eliminate barriers and provide equitable opportunities for those marginalised.

4. Vigorous Basic Service Delivery and Infrastructure Development:

Our focus is on providing efficient and equitable basic services, including housing, electricity, water, sanitation, and improved infrastructure, ensuring these essentials reach all communities.

5. Energy Crisis, Climate Change, and Environmental Protection:

Addressing the energy crisis and combating climate change is paramount. We commit to sustainable practices and policies that protect and preserve our environment for future generations.

6. Quality Education and Skills Training:

Investing in education is investing in the future. We pledge to enhance the quality of education, providing accessible and inclusive learning opportunities for all, along with specialised skills training programs to meet the demands of a changing economy.

7. Healthcare:

Quality healthcare is a fundamental right. We strive to improve healthcare accessibility, affordability, and the overall quality of health services for every citizen.

8. Safety, Security, and Equality before the Law:

We vow to create safer communities, ensuring the rule of law, justice, and equality for all individuals, irrespective of their status or background.

9. Economic Empowerment, Land Reform, and Prosperity:

We advocate for economic empowerment, supporting fair land reform initiatives, and fostering an environment that enables prosperity for all, especially marginalised communities.

10. Progressive Foreign Policies:

Our foreign policies will be driven by principles of cooperation, diplomacy, and mutual respect, aiming for beneficial partnerships that contribute to our nation's growth and global harmony.
