

# Manifesto Summary

by AfroManifesto

## African Transformation Movement

### Employment

- Prioritise capacitation of Co-operatives and other local SMMEs
- Pay Service Providers within stipulated time frames, with special focus on SMMEs and Cooperatives.
- Upskill and assist with marketing of emerging farmers.
- Support the ocean economy in coastal towns to compete and have a booming fishing industry.
- Create sustainable livelihoods in rural areas through rural infrastructure, agro-industries, agri-parks, community production centres and other initiatives to eradicate rural poverty.
- Increase entrepreneurial culture, technical skills and talents among all vulnerable groups through community skilling programmes.
