

Manifesto Summary

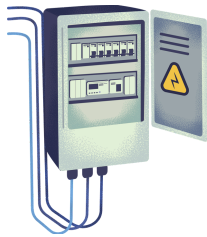

by AfroManifesto

Forum 4 Service Delivery

Electricity

- Encourage renewable energy to generate electricity with little or no pollution.

Employment

- Propose a policy that can provide unemployment benefits and search for more job opportunities for the youth.

Health

- Have one well-equipped clinic, ambulance, doctor, psychologist and police officer in every voting district.
- There will be a hospital in every municipality with no less than 5 medical doctors, no less than 2 traditional doctors and faith-based practitioners. And 2 medical suppliers in every hospital.

Forum 4 Service Delivery Manifesto Summary

Crime

- Make the NDPP a parliamentary appointment to ensure greater independence and impartiality.
- Encourage peaceful means of conflict resolution.
- Encourage medical examinations to criminal suspects before court judgements. This will ensure that people who are mentally unstable are not taken to prison but rather to mental hospitals.
