# Manifesto Summary
by AfroManifesto
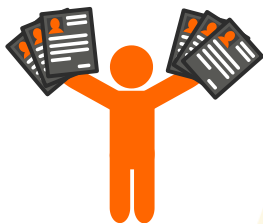

AfroManifesto

Patriotic Alliance

Electricity

- Liberalise power generation and make Eskom focus on becoming an effective transmission company.

- Will not allow the rapid abandonment of coal generation at the expense of the economy, but advocate for a more sustainable energy mix.

- Permanently end loadshedding.

- Stop illegal connections and make everyone, people and municipalities alike.
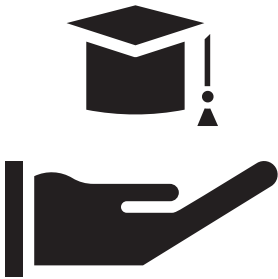

Employment

- Offering 100% youth employment through conscription.

- Take 1% of sales from profitable corporations towards a national lending bank for indigent entrepreneurs.

- Drop the minimum wage requirement for businesses less than 1 year old.

- Formalise the informal economy.

Patriotic Alliance Manifesto Summary

Education

- Teacher testing and remediation courses for those who are not performing well. They will either be sent back to university or reassigned to a job suited to their skills.

- Make tertiary education and even free for deserving students. Those who accept government help should not be allowed to emigrate.

Health

- PA will put local communities in charge of improving the performance of public hospitals by creating community-controlled hospital boards.

- Explore public-private partnerships in order to raise the levels of public healthcare.

- 100% of HIV / TB infected citizens must have access to treatment.

Patriotic Alliance Manifesto Summary

Crime

- The party will build a wall to protect its citizens against illegal migration
- Mass deportation of illegal immigrants.

- Establish mass detention camps where illegal immigrants must be taken for processing and deportation.

- Lengthy prison sentence for those who entered the country illegally.
- Empower Home Affairs immigration officers with the rights and duty to deport millions of illegal migrants.

- Reintroduce the death penalty in severe cases of murder, Muti killings, r*pe of children and high treason where guilt has been proven beyond reasonable doubt.
